For Immediate Release

Stewart EFI, LLC Expands Presence in Southeastern US with Addition of Two Sales Representative Groups

Thomaston, CT – January 11, 2012 – Stewart EFI, LLC is proud to announce that Diemer Associates, Inc. and MaRoDi, Inc. will represent the company in Alabama, Georgia, Maryland, North Carolina, South Carolina, Tennessee and Virginia.

“We are pleased to have the six experienced professionals of Diemer Associates and MaRoDi join the Stewart EFI team.” said John Labas, Vice President - Sales and Marketing of Stewart EFI. “We look forward to expanded and improved contact with the Southeastern marketplace.”

Stewart EFI with over 200 employees and operations in Thomaston, CT and El Paso, TX ranks among the largest suppliers of small precision metal stampings in the world. Its capabilities include deep drawn, progressive and slide-formed metal stampings, wire forms and automated and secondary assembly as well as plating and metal finishing. The company’s primary markets include automotive, electrical, electronics, consumer, industrial, defense and medical. Stewart EFI’s products are sold worldwide.

For more information visit our website at www.stewartefi.com or contact John Labas at 860-283-8213 extension 218.
