## **NEWS RELEASE**

*For Immediate Release*

### **Stewart EFI New York, LLC Named Yonkers, New York 2006 Business of the Year.**

Yonkers, New York – May 4, 2006 – The city of Yonkers, New York has named Stewart EFI New York as the recipient of the city's 2006 Business of the Year Award. In Yonkers, the company established operations in 1942, employs over 170 people and maintains a 250,000 square foot facility. Stewart EFI was presented with this honor during the May 4 ceremony concluding the Yonkers Business Week.

Stewart EFI with over 300 employees and operations in Yonkers, NY, Thomaston, CT and El Paso, TX ranks among the largest suppliers of small precision metal stampings in the world. Its capabilities include deep drawn, progressive die and four-slide metal stampings, wire forms and automated and secondary assembly. The company's primary markets include automotive, electrical controls and switches, electronic components, consumer, cosmetics and medical. Stewart EFI's products are sold worldwide.
