## **NEWS RELEASE**

*For Immediate Release*

### **Addition of Scott Brown to Frank Willard and Associates, sales representatives for Stewart EFI, LLC**

Yonkers, New York – June 6, 2006 – Stewart EFI announces today that Scott Brown has joined the sales firm of Frank Willard and Associates, sales representatives for Stewart EFI, LLC. Scott's extensive experience in the stamping industry will be a welcomed addition to the Frank Willard sales team and further support the sales and marketing efforts of Stewart EFI, LLC. Frank Willard and Associates provide local representation in Indiana, Ohio, the Southern Mexico (south of San Luis Potosi) and specific accounts in Michigan

Stewart EFI with over 300 employees and operations in Yonkers, NY, Thomaston, CT and El Paso, TX ranks among the largest suppliers of small precision metal stampings in the world. Its capabilities include deep drawn, progressive die and four-slide metal stampings, wire forms and automated and secondary assembly. The company's primary markets include automotive, electrical controls and switches, electronic components, consumer, cosmetics and medical. Stewart EFI's products are sold worldwide.
